The Fourth Annual Conference on Communication Networks and Services Research (CNSR 2006) will be held in Moncton, New Brunswick, May 24–25, 2006 at the Delta Hotel Moncton. This annual conference is jointly sponsored by the Atlantic Canada Opportunities Agency's Atlantic Innovation Fund, Dalhousie University, Université de Moncton and University of New Brunswick (UNB). The proceedings from the CNSR2006 conference will be archived in the IEEE Xplore® Digital Library. CNSR 2006 is technically sponsored in cooperation with ACM and the IEEE Communication Society.

TECHNICAL TOPICS

Technical full papers, short papers and posters describing original research in the field of communication networks and services are invited. Topics and areas to be presented at the conference are listed below. However, papers outside these areas are also welcome with a requirement that they describe current original work, either theoretical or applied and have not been published elsewhere. Both industrial and academic contributions are invited.
